You and your friends benefit!

NEW

STERLING LEISURE PRODUCTS
THE COVANA

Automatic All in One Cover/Gazebo

Combining beauty and function, the Covana is a spa cover that automatically elevates and lowers with the turn of a key. It's the first all in one Gazebo/Cover and it is simply amazing. Built to provide years of worry free performance and protection for your spa. The Covana cover securely locks in place, preventing children or pets from gaining access. The pitched roof design increases the character and aesthetics of your spa while easily allowing the cover to shed the rain and snow. Whether you are battling rain, snow, or wind the Covana provides excellent protection and ease of use. Optional screens provide privacy and protection from the wind.

If you're moving and taking your spa with you...

Please give us a call and we will change your address in the computer so that you continue to receive 'Newswaves' and we have the new address for service and billing.

If you're moving but your pool/spa is not...

Please help us keep our records up to date by asking the new owners to call and have us change the name on the account and update our mailing information. We can help the new owners with any questions they may have on pool/spa care, and our service department is here if they're in need of service for the pool/spa.

Just call us at
509-928-6585
or 800-876-4340.

Toll Free: 1-800-876-4340

NEW

TANNING SYSTEMS

Be healthy, tan at home. Indoor tanning represents a viable alternative to natural sunshine which stimulates your production of vitamin D. Moderate Sun exposure improves bone and heart health, prevents certain cancers, enhances mental health, and alleviates some skin disorders!

**Stop into our Central Store
at 4808 E. Sprague to see
the new Tanning Beds!**

We offer computerized water testing for our customers. If you are having problems or just need assurance that the spa water is balanced properly, just bring in a sample and one of our staff will test it for you.

TIP pH the measurement of the acidity of the water, which plays an important part in your comfort in the spa and keeping your tubs equipment operating properly.

Low pH	IDEAL	High pH
Corrosive		Scale Forming

ONE DAY SAVINGS 12/06/2008

Need a hot tub for the lake home or know a friend who's looking for a tub? At our Warehouse Sale you'll find Hot Spring, Tiger River, Caldera, Solana, and HotSpot spas all from Watkins Manufacturing, with savings up to \$3,500 on hot tubs ranging from \$2,000 to \$12,000. We've got new, renewed, blems, closeouts, and showroom models all with exceptional specials!

The renewed spas are Hot Spring spas that our customers have traded in for a new updated model with all the latest features. Our technicians take these spas through a 50 point check list, making sure the equipment operates properly, and making any repairs or replacements needed. The spas are cleaned, new filters installed, and they come with a 1 year component warranty from Pool World. Come early, join the fun and take your pick of the best value!

More than just a Spa Sale Existing customers save too on these specials!

No Deck, No Patio, No Worries

No deck or concrete pad for a spa? That's no reason to go through another winter without a hot tub. Smart Deck is a stylish, efficient choice for a deck area with it's stamped concrete look and sturdy construction. Winter is the best time to enjoy a soak in a hot tub, so why wait any longer? Simply level your area, lock one panel into the next and you'll have a pad ready for a spa in no time!

The Staff at Pool World

Relax this Holiday Season

There's no better place to escape the hustle and bustle this holiday season than in your Hot Spring, Tiger River, or Caldera Hot tub. Relaxing in the warm soothing water stimulates the release of endorphins, the body's natural "feel good" chemical, giving you a sense of well being and rejuvenation. The warm water and soothing massage relieves anxiety and relaxes tense muscles. Nothing makes you feel better!!

Your residential and commercial pool and spa professionals.
