## THE ULTIMATE HOME ADDITION

The backyard is the perfect spot to spend quality time with your family and friends and a Finnleo Outdoor Sauna fits right in with outdoor entertaining. Stepping out of the sauna heat into the contrast of cool, fresh air is a special feeling like no other. You will **enjoy the many benefits of sauna use** and at the same time add the perfect entertaining addition to your backyard.

A Patio Series or Metro Sauna by Finnleo is an excellent option for pool/spa owners. Many of the models include spacious changing rooms, which means they can easily double as a changing room for the pool or hot tub. Enjoy the deep, gentle heat of the sauna and then take a refreshing plunge in the pool. You can even install a shower and/or toilet in the changing room and avoid having pool users tracking wet feet into the house.

Stop into any one of our locations and see how the Finnleo sauna experience can enhance you and your backyard.

Outdoor, Indoor, Modular, Custom, or Designer series. Traditional, Infrared are all available.

## Does your Pool Need a Facelift ?

If your pool was once an elegant inviting addition to your backyard and now it seems more an eye sore, there's no reason why it can't once again be a beautiful spot where you enjoy spending relaxing time. We remodel pools and can help you transform your aging pool to a modern pool with up to date equipment.

It may not be just the look of the pool that you want to update. There are so many products on the market available to make pools easier to maintain, more efficient, less costly to operate and safer. Energy efficient, super quiet motors are something a lot of homeowners are installing and enjoying the benefits from. At the time of the pool remodel it might be a good time to install a new ladder, set of stairs, water feature, or an automatic chemical system. Lots of new fun things to consider.

## Extend the Life of your Pools Solar Blanket

Take care of your solar blanket by following these simple precautions and extend the life of the cover.

- . Leave cover off the pool after administering a pool shock.
- . Cover solar cover with white protective blanket cover when off the pool on a reel or deck.
- . Clean cover with Stow Away Cover Cleaner before storing cover for the winter months.
- . Do not pull on one corner or strap to remove cover from pool or blanket reel.

## It's Important To Test!!

Don't make the mistake some pool owners do and not test your pools water. The water can look good but can actually be ruining your pools equipment and finish if not balanced properly. No we are not just trying to sell product ... in fact we are trying to save you unwanted expenditures. We recommend you have your pool water analyzed professionally 3 times a year and test it weekly at home in between. There are things most home tests do not cover like Calcium Hardness, Minerals, and Cyanuric Acid. All of these things can have an adverse effect on your pool and equipment if out of the recommended range.

- Low Hardness levels will etch away at your pools finish or make your pools liner brittle over time.
- High Hardness can leave deposits on the pool finish and develope scale on the equipment and pool finish.
- Low cyanuric levels will cause you to go through much more chlorine or if using a Salt Generator can damage the cell and High levels can cause your sanitizer to not be as effective.
- Low pH can cause swimmer discomfort and damage your pools equipment.
- Alkalinity out of range can cause it to be extremely difficult to balance your pools pH.
- Minerals in the pool water can cause staining on the pools surface.

## SALT

Pool? Don't Forget!

To protect your investment and clean your Salt Cell once a season so you don't ruin your cell with scale buildup.

Maintain Stabilizer/Cyanuric Acid/Conditioner at recommended level to keep your generator from overworking trying to produce chlorine.

Shock/Oxidize your pool water on a routine basis to prevent cloudy water, swimmer itch, and combined chlorine.

## Help us, Help CF, and Save all Summer!!!

We're very proud to announce that in the last 3 years you've helped us raise nearly \$18,000 for Cystic Fibrosis through your generous donations and chlorine purchases!

You can help Splash for CF again this year. **Save 5% off** your purchases through August 31st with a \$10 donation to Cystic Fibrosis!! 60% of the donation stays here to aid the local CF center and the other 40% goes to Laps for CF a nonprofit foundation created by Emily Schreiber who herself is stricken with CF. Emily has raised over 1 million for CF research and children with CF. Your purchases of BioGuard Silk Tabs™, Silk Sticks™, Silk Smart Sticks® and donation will help make a splash in the lives of those with Cystic Fibrosis!

\* Excludes Pool, Spas, and Sauna purchases. Can not be used with other offers.
