Relief from Winter Blues

For some of us in the Inland Northwest, the long winter months with lack of sunlight can bring on a condition called, Seasonal Affective Disorder SAD. SAD sufferers have symptoms that can include depression, irritability, overeating, and aversion to social situations. Studies show that a good 6% of Americans struggle each winter with the effects of SAD.

Light therapy improves the condition for about 80% of people, often in as little as three days. Finnleo Infrared Saunas can provide relief from the winter blues. You can enjoy your sauna in red, blue or green light for 15 to 20 minutes a day and get relief from SAD while experiencing the many other benefits a sauna offers.

Stop in today and see how Finnleo Infrared Saunas can help make this and every winter SAD free!!

THE AMAZING HEALING POWER OF WATER

Water is a big part of our business. We have always believed in and promoted water's many benefits. This past year our family and staff observed first hand water's amazing healing power. A year ago our company founder, my mother, Lyla Henderson was stricken with a very serious condition termed Guillain-Barre, which left her nearly paralyzed from her head down for several months. Following several months of a strong mindset aimed at recovery, serious rehabilitation and intense therapy we're pleased she is doing very well. She has advanced from being bedridden, to a wheel chair, then a walker and is now walking on her own once again.

The final stage of her recovery prescribed by her doctors and physical therapists has been water therapy in both a pool and hot tub. The results have been truly amazing! We were able to watch her recovery advance rapidly once she was able to get into the water. We all know that we're able to move and exercise in water much easier versus on land. Water frees us from gravity, makes our circulation system more efficient, and transfers heat 25% faster than air, which all increase our bodies recovery process. Water relaxes us, releases tension and loosens our muscles. The therapeutic benefits of water are abundant. Our bodies respond almost magically when wet!

Stop in today and see how you can improve the way you live and feel with a hot tub from Pool World.

Team Rewards

We are dedicated to helping the Spokane/CDA communities and our Team and Club Rewards Program makes it easy for any person who purchases a hot tub, sauna or above ground pool from Pool World to designate a team, club or non-profit organization to receive a \$100 contribution from Pool World in that customer's name.

In the past couple years we have contributed over \$12,000 to various local charities such as the Humane Society, Food Bank, Make a Wish, Mobius Kids Center, Red Cross, Ronald McDonald House, various schools and many other causes on our customers behalf.

The program works best when information is available to everyone you know. This maximizes the opportunity for a team or club to receive an unlimited amount of funds. If you would like a representative of Pool World to speak at your organizations next meeting in regards to this just give us a call.

Tell your friends and family about Team Rewards. It's a great way to benefit the community!
