Leisure Concepts SmartDeck

Looking for a stylish, efficient choice for a deck area rather than wood or concrete? SmartDeck is the solution. SmartDeck has an elegant stamped concrete texture, bullnose edging and a graphite color that adds an element of style to any landscape.

The sturdy construction easily supports spa weight and the modular design allows for countless configurations in minutes. Simply level your area,

lock one panel into the next and you'll have a sturdy patio set for a spa in minutes!

WINTER Cover Care Tips

- 1) Test your water on a regular basis. Improper water chemistry can cause your hot tub cover to mildew.
- 2) AVOID USING A RAKE, SHOVEL OR OTHER SHARP TOOLS TO REMOVE SNOW AND ICE. Use a Sno Brum (available at all Pool World locations).
- 3) Handle tie-downs, straps and handles with care because the cold conditions can cause the vinyl to crack or rip if not handled carefully.
- 4) As soon as the snow melts and the temperatures begin to get warmer apply a cover protectant and conditioner like 303 or Sunstar Cover Creme to the cover vinyl.

Clean Your Filters

When was the last time you **cleaned or replaced** your hot tub filters?

Did you know that your filters should be cleaned at least every 6 to 8 weeks using a good filter cleaner/degreaser and you should replace your filters every 1 to 3 years?

According to our computer records it's been over 2 years since many of our customers have replaced their filters. Old and dirty filters can lead to hot tub malfunctions and they also determine whether you're **soaking in clean or dirty water**.

Keeping your hot tub filters clean is key to **Preventing Costly Service Calls**.

Serenity couldn't get much simpler in this sharp, stylish, smart spa, the Hot Spot SX. The perfect size at 6' 6" this tub offers an excellent massage with the exclusive Moto Massage jet and Precision jets. This spa has features you just have to see, including a great cool off seat that can transition to a comfortable lounge seat. Perfect for couples or the family. An excellent value for your money!!

A hot tub can be the perfect gift for the family. A gift that keeps on giving for years and years! A hot tub provides so many benefits. Enjoy a more restful sleep, spend quality time with your loved ones, start your day out enjoying a cup of coffee and a morning soak, or relax after a long day ... the list goes on and on. Young, old and in between all enjoy a good soak in a hot tub.

Keep your Hot Tub Clean and Clear

Keep your hot tub clean this winter and help prevent having to change your water in the cold months. Clean your hot tub and filters on a regular basis preventing bacteria from forming.

SpaGuards® Natural Spa Enzyme helps to reduce oils, eliminate unpleasant odors, reduce scum lines and improves water clarity.

SpaGuards® Filter Cleaner/Degreaser removes body oils from your filter element.

Create a lifetime of memories in a Doughboy pool! You can beat the heat, enjoy family fun and health benefits for many years to come by installing a pool in your backyard. Doughboy pools are quality built for years of enjoyment. Doughboy offers a wide variety of styles and sizes. A solution for any yard and most any budget.

Don't Forget To Flush

Before Doing A Drain and Refill On Your Hot Tub Next Spring
