The Pool World Staff

SPOKANE YOUTH SYMPHONY

By adhering to a high standard of excellence and nurturing a love of music, the Spokane Youth Symphony organization is able to cultivate the delight that youth find in their musical performances and the sense of pride that is established as they stretch their musical talent into adulthood.

Pool World loves to support our local community so for our annual Warehouse Sale we will be donating \$100 to SYS for every hot tub sold during the sale.

The Spokane Youth Symphony will be performing during the sale 12-02-23.

The Pool World Team is proud to support the people and local organizations in the Spokane and Coeur d'Alene area. We pride ourselves on being a longstanding, local, family owned business that is dedicated to it's customers and community.

For every hot tub sold, we donate \$100 into the Pool World Cares Fund. This fund is then used to donate to various organizations and charities such as, Spokane Youth Symphony, YMCA, Every Woman Can, SCRAPS, the Spokane and Kootenai Humane Societies, Spokane and Spokane Valley Parks and Recreation, Arthritis Northwest, American Childhood Cancer Organization and many more. You'll also find us running various promotions throughout the year to support specific organizations and participating in many local charity events.

Over the past few years, we have donated over \$190,000 to various local charities either by check or donating items. We want to make a difference in our area.

If you're looking to support a local business who in turn supports the local community, we're here for you with quality products and a dedicated staff that's ready to help you with your Backyard Vacation needs.
